

TEMPEST Laser Printer DTD-1022N-T Lightweight Performance and Security

The DTD-1022N-T is the TEMPEST version of the HP 1022N laser printer and provides professional quality with 1200 dpi. With the reliable HP LaserJet print cartridge and 1200 dots per inch (dpi) print resolution, the printer produces crisp, clean output for all of your business documents. HP Resolution Enhancement technology (REt), working with the Ultra-precise toner formula and HP image writing systems in the cartridge, ensures reliable quality with sharp text and clear lines. The printer supports Mac OS 10.2 and later and Windows® 98 SE, Me, 2000, and XP® 32 bit operating systems and is Windows Vista(TM) Ready.

Built and tested to meet the following TEMPEST standards:

- NSTISSAM 1-92 Level I
- AMSG 720B

Specifications

Black print speed Up to 19 ppm

Black print resolution Up to 1200 x 1200 dpi

Print technology REt, HP ProRes 1200, HP FastRes 1200
